

# **32nd European Congress of Clinical Microbiology and Infectious Diseases (ECCMID 2022) - in Hybridform**

The 32nd European Congress of Clinical Microbiology & Infectious Diseases will take place both online and in Lisbon, Portugal on 23 – 26 April 2022. ECCMID, brings together experts from many fields to present their latest findings, guidelines and experiences to an audience of over 14,000 colleagues. This year, the congress will feature a hybrid format to facilitate an onsite and online experience for attendees allowing for remote and face-to-face opportunities to take part in the multi-faceted programme.
